Wiggler Worship Check List

Thank you for agreeing to serve the children of our church with this ministry. You will be blessed, we promise!

Below are the steps to making Wiggler Worship a success. Don't worry about following the steps exactly -- as with any group of young children just gauge their interest level and attention spans and go from there!

- Be at the front of the sanctuary during the Children's Sermon to shepherd the 4's and 5's to the chapel. It works best to have one adult lead the children out, and the other adult to hold the door and bring up the rear.

- BEFORE entering the chapel, please stop at the door. Tell the children that we are entering the chapel for a time of singing and worship. That their behavior needs to show respect for this holy place. It works well to have them sit in the front pew.

- There will a clipboard with an attendance sign in sheet. Please introduce yourselves to the children and record each child's name on the attendance sheet. If a child's name is not on the list, please write their name on the back page.

- A CD & CD player are there for you to play. For the month of ___ we are learning *His Banner of Love is Over Me* (22), *O, How I Love Jesus* (23), and *Whisper a Prayer* (24).

- A song book is provided that has the words and a few talking points.

- The songs are short and easy to learn. Incorporate movement into the singing if you want. Kids love that! If the children get too excited, please remind them that this is a time of singing and worship. Play time will come later.

- After singing the songs a few times each. Ask the children to return to their seats on the front pew, and read the designated Bible story from the book provided.

- Have the children kneel at the altar rail and repeat the prayer (below) then line them up and walk them to room 206 ("Parrot Room" on nursery hall)

- ***Dear Lord, Please help me this week to do all the good I can, in all the places I can, at all the times I can, to all the people I can! We love you. Amen***

- Bring the CD & CD player back to Room 206 to play during free time.

- Coloring pages & crayons are in the middle base cabinet.

- Put crayons, CD, & CD player back in middle base cabinet after the late service.

- THANK YOU!!
