

Wedding Policy

To the soon to be married,

Congratulations! We are excited for this upcoming journey in your life.

We believe that Christian marriage is a sacred covenant between you and your spouse that reflects Jesus' covenant with us, his worldwide church. Therefore, the Service of Christian Marriage in the United Methodist tradition is a Christ-centered act of worship in we give thanks to God for his covenant with us and for your covenant with each other. The service is similar in structure to our Sunday worship services, which include the proclamation of God's Word along with prayer and praise of God.

We also affirm that a husband and wife are equal partners in Christian marriage, as two families come together to form one. The family members and friends who are present at the service are an active congregation, not just passive witnesses, because they give their blessing to you and to the marriage, and they join you in prayer and praise of God.

One of us will guide you in the aspects of the actual service, and an Edenton Street wedding director will assist you in the logistic details of your wedding. The vows you make on your wedding day are holy vows, made both in the presence of God and of loved family and friends, so careful preparations should be made in anticipation of that day.

We rejoice with you in your decision to be joined as one and look forward to your special day. We pray God's blessings upon you as you begin your new life together!

Peace in Christ,

The Pastors of Edenton Street United Methodist Church

REQUESTING A DATE

Weddings are performed for current members of the church and their children or grandchildren. The bride, groom, and/or the family of either should be members of the church for at least 6 months prior to the wedding.

After reading the following policy, please contact Gwen to consult the church calendar and schedule a date:

Gwen Cummings
Administrative Assistant to Discipleship Ministries
984-200-2616
gcummings@esumc.org

Basics:

- First-come, first-serve basis.
- May be scheduled up to one year in advance.
- Annual dates that we do not host weddings: the week before Easter Sunday, July 4th, the first weekend of Advent, Christmas Eve/Day, the Saturday after Christmas Day, New Year's Day (or weekend).

After requesting a date:

- Fill out the "Wedding Information" sheet located at the back of this policy and return it to the Administrative Assistant to Caring Ministries.
- We will place the wedding on the church calendar once we receive the "Wedding Information" sheet.
- If you desire to hold a reception in Kerr Hall, our fellowship hall, please schedule that at the same time the wedding is placed on the calendar.

If more than one wedding is scheduled for the same day:

In the event that more than one wedding is scheduled for the sanctuary on the same day, a minimum of four hours is scheduled between weddings. It is the responsibility of the wedding director to coordinate the use of the church facilities when more than one wedding is scheduled for any one day.

MARRIAGE COUNSELING

After making an appointment with your pastor for counseling, please visit www.couplescheckup.com and fill out the online assesment. Send/bring a copy of your results to your pastor before or at the scheduled meeting time.

THE SERVICE OF CHRISTIAN MARRIAGE

The details of the Service of Christian Marriage, also known as the wedding ceremony, are to be made in consultation with our officiating pastor and our organist. The logistics of the ceremony will be discussed and planned with our wedding director.

Order of Worship:

The final order will be chosen in consultation with our officiating pastor, and the music in consultation with our organist. Typically, the order of worship is as follows, from The United Methodist Book of Worship.

The Prelude
The Chiming of the Hour
The Seating of the Grandmothers and Mothers
The Processional
The Greeting
The Hymn
The Declaration of Intention
The Response of Family and Friends
The Presentation of the Bride
The Hymn
The Scripture Lesson(s)
The Homily (Short Sermon)
The Exchanging of Vows
The Blessing and Exchanging of Rings
The Declaration of the Marriage
The Lighting of the Unity Candle
The Prayer and Blessing of the Marriage
The Lord's Prayer
The Benediction
The Recessional

Guest Pastors:

One of our pastors must officiate at the wedding ceremony, though other pastors can participate through readings, the homily or Communion. Permission to include another pastor in the service must be obtained from our officiating pastor, who will then extend an invitation to the guest pastor.

Readers:

If you choose to ask friends and/or family members to read the Scripture Lessons, please ask them to be present for the wedding rehearsal.

Children, i.e. Ring Bearers and Flower Girls:

If children are asked to participate in the wedding, we ask that they be at least 5 years old and be present for the wedding rehearsal. Flower petals, hearts, or any other material, artificial or real may not be scattered by flower girls or other attendants.

The Sacrament of Holy Communion:

The Sacrament of Holy Communion may be celebrated as part of the service of Christian marriage. If the bride and groom want to include Communion in their ceremony, not only do they receive the sacrament, but the entire congregation is invited to be served. During the wedding ceremony it is served to the congregation by “intinction,” a method used whereby participants receive the wafer/ bread and dip it into the common cup and return to their pews.

Wedding Program:

Because of the amount of time involved in preparing a program, the church office staff will not be available to assist you with the typing or printing. Please finalize the Order of Service with the officiating pastor before printing the Order in your program.

MUSIC

Since weddings are a service of the worship of God, the same high standards are applied in selecting wedding music as are applied in all other worship services. It is very important to keep in mind that your wedding is a service of worship and the music should be in keeping with the reverence customarily observed in worship.

All music to be used in a wedding service must be approved by the Organist. The guidelines for music are that it is sacred and worshipful in nature. Unfortunately, guest organists are not permitted to play for weddings.

Meeting with the Organist:

The bride and groom should contact the Organist no later than eight weeks prior to the wedding date to meet, select music, and to be scheduled on his calendar.

The Organist will assist you with music selections. Additional musicians or soloists should be discussed with the Organist. No secular music may be played or sung as part of a wedding ceremony. Vocal solos may be sung during the pre-service music and during the service. If needed, the Organist can refer you to soloist(s) or instrumentalist(s). No taped music is allowed in the church sanctuary.

WEDDING DIRECTOR

The service of an ESUMC wedding director (or directors) is required for all weddings and rehearsals. Outside bridal consultants, professional or otherwise, will not be permitted to have any role in either the rehearsal or the wedding ceremony.

A wedding director will be assigned to each wedding by the chair of our Wedding Committee.

The assigned wedding director will contact the bride approximately 8 weeks before the wedding. She will arrange a time to meet at the church to consult with the bride and answer any questions concerning the wedding policy, decorations or any other procedures. The director will show the bride

where the dressing areas, parlor, and restrooms are located and the best way to enter the church.

A wedding director and an assistant will be present at the rehearsal and on the day of the wedding. Your director(s) will arrive at the church two hours before the wedding and be present until after the pictures have been taken.

The wedding director has the final decision in all matters regarding the premises while you are in the church buildings.

The Wedding Committee Chairperson may be contacted at any time by calling the Administrative Assistant to Discipleship Ministries.

FLOWERS AND DECORATIONS

We take pride in the beauty of our church, and believe that little decoration is needed. We ask that you remember that the sanctuary is uniquely beautiful in its neo-gothic and cathedral-like appearance and does not need excessive decorations.

Our wedding directors have final approval of all decorations. All decorating in the sanctuary should take place on the day of the wedding.

Altar Flowers

Note: If the bride wishes to use altar flowers already scheduled for Sunday's worship service, this requires permission of the person giving the flowers (ask the wedding director).

Brides are asked to relay to their florist the rules and regulations of the church as written below. If the florist has any further questions, he/she may contact the church office.

Flowers used on the altar for a wedding service are dedicated to the glory of God.

Take note:

- You may use 2 flower arrangements, each measuring 34-36 inches high and 24-30 inches wide, excluding the church vases.
- A white #4 paper mache container will fit into the altar vases. You may elect to have only greenery on the altar.
- No flowers are to be placed on the altar rail, lectern, pulpit, or piano.
- Delivery: should take place no less than 2.5 hours before the ceremony.

Choice to leave flowers for Sunday's worship service (need 8 weeks notice):

- When no altar flowers are scheduled for the Sunday worship service following your wedding, the bride may choose to leave the flowers on the altar.
- If altar flowers are already scheduled for that Sunday, wedding flowers may be placed in the narthex or The Gathering worship service, in honor of the couple or in memory of a loved one. An appropriate notice may be placed in the Sunday church bulletin by calling the Administrative Assistant to Caring Ministries.

Removing the flowers:

- Persons should be designated by the bride to collect the flowers immediately after the wedding.
- Flowers not taken by the bride on the day of the wedding will be used in the church or distributed to shut-ins, hospitals, or nursing homes.

During Lent and Advent:

- Because regularly scheduled church activities and decorations have priority on the church calendar, brides and grooms who have scheduled their weddings during special times in the church year, such as Lent and Advent, must accept the sanctuary as it is decorated.
- No altar flowers may be used when special flowers are in place.

Multiple weddings on same day:

On occasion, brides with weddings on the same day have shared the expense of the wedding flowers. If you wish to do so, call the Administrative Assistant to Caring Ministries to obtain the name and phone number of the other bride and contact her.

Brass Candelabras

The church has two seven-branch brass candelabras and a pair of eight-branch brass candelabras which the bride may elect to use as wedding decorations. Candles for these candelabras are furnished by the church.

Additional candelabras and candles may be rented from a florist or other source. Other configurations acceptable for use are tree and spiral candelabras. Other styles must be approved a month in advance by the wedding director.

Candelabras may be placed in one or a combination of two of the following locations in the lower and upper chancel areas:

- on each side of the altar
- in the corners formed where the steps in front of the altar intersect with the choir modesty panel
- half-way down the sides of the inner chancel area
- in the lower chancel area between the balustrade and the chancel area

Candelabras are never placed in front of the altar or the cross or over choir pews. Candles in any candelabras should be lower than the transept of the cross behind the altar. The six candles behind the altar remain as placed and are lighted for the wedding service.

Sprays of greenery or flowers may be attached to the candelabras with chenille or coated wire.

Unity Candle

The church has a unity candelabra, which may be used as a part of your wedding ceremony. Traditional 10 or 12-inch dripless candles are used in this candelabra because the candles are removed from the side receptacles to light the center pillar candle.

The center pillar candle (3"X8") will need to be provided by the bride. Other methods of a Unity candle are not permitted: i.e. sand, plants.

Window Candles

The church also has available electric candles with glass hurricane globes, which may be placed in the windowsills of the sanctuary. Floral greenery may be added. Candles with live flames are not allowed in the windows. There is an additional charge for use of these candles to cover the cost of set-up and removal (see fee schedule).

Paschal Candle

The Paschal Candle may be lighted in memory of loved ones. The decorative tall candle is located in the lower right chancel area.

Congregational Candles/Other

There will be no use of lighted congregational candles or lighted candles in bridesmaids' bouquets. No candles or stands are allowed in the aisles.

Greenery

Greenery on the altar in lieu of flowers is acceptable and a beautiful option. The bride and groom may elect to use green plant(s)/palms for decorations. These plants may be placed in approximately the same acceptable locations as designated for the candelabras or may flank each side of the kneeler. Small sprays of greenery or flowers may be attached to the unity candle and candlebras. Greenery may also be placed around the window candles. The bride and groom must make arrangements with the florist or other responsible party to remove these plants immediately after the wedding.

Pew Markers/Bows

The church provides white damask pew markers, which match the paraments on the altar, pulpit and lectern to mark the reserved sections for the families. No bows are needed or allowed to be attached to the church furnishings. You may use bows on the church candlebras or on the light fixtures or handrails outside the sanctuary entrance doors.

Kneeler

The church provides the kneeler and cushion for the ceremony. The kneeler will be in place for your use during the rehearsal and wedding ceremony.

Aisle Runners

The use of an aisle runner is not allowed due to insurance liability problems. Flower petals, hearts, or any other material, artificial or real may not be scattered by flower girls or other attendants.

Banners/Church Furnishings

Banners and flags being used in the church sanctuary may not be moved or relocated. Please do not move or relocate any of the church furnishings.

Animals

The sanctuary is not an appropriate place for pets of any kind. Only certified dogs for visually or hearing impaired persons will be allowed.

PHOTOGRAPHY

Due to prior experiences, brides are required to relay to their photographer the rules and regulations of the church.

During the Service:

- Photographers and/or guests are not allowed to take flash pictures during the ceremony.
- Photographers may take pictures only from the balcony during the service, using only existing light or timed exposure.
- Interference by the photographer with the seating of guests or family members or the directions of the wedding director is not permitted.

Prior to the Service:

- All pre-wedding pictures in the sanctuary or outside must be finished 45 minutes before the wedding and we ask that all photography equipment is removed.
- If pictures in the church courtyard or outside are to be taken before the wedding, please consult your wedding director so the doors will be unlocked to this area.
- Bridal pictures/portrait are permitted in the church. Special arrangements need to be made with the Administrative Assistant to Discipleship Ministries to reserve the sanctuary or courtyard.

After the Service:

- The photographer will have 30 minutes after the wedding inside or outside the church for pictures.
- All photo equipment must be removed from the sanctuary within 45 minutes after the ceremony.

Rehearsal:

- Please notify family members who are to be in group pictures. It is recommended these be taken first.
- If at any time the wedding director views the posing of any of the wedding party as inappropriate, she has the right and the responsibility to stop the photographer from taking such a picture.

The best entrance for photo equipment is through the Curtis Entrance (rear of the church). If the photographer has any further questions he/she may contact Gwen Cummings at 984-200-2616.

VIDEOGRAPHY

Due to prior experiences, brides are also required to relay to their videographer the rules and regulations of the church. We do have a videography service available upon request through the Administrative Assistant to Discipleship Ministries (see fee schedule).

Pre-Service Set up:

- Videographers must have their equipment in place and operational one (1) hour before the wedding is scheduled to begin.

- Only stationary equipment will be allowed.
- Video cameras may be placed in the doorways on the far right or left side of the chancel area and/or in the balcony. Video equipment should not be visible to the congregation.
- Audio connections can be made to the house sound system if needed, with prior arrangements.
- The use of floodlights and movie cameras are prohibited.
- Personnel must be unobtrusive in the narthex area and sanctuary prior to the wedding, and may not interfere with the logistics or directions from the Wedding Director.

Rehearsal:

- Videographers who attend rehearsals should be unobtrusive. Time will be allotted for consultation following the rehearsal.

The best entrance for video equipment is through the Curtis Entrance (rear of the church). If the videographer has any further questions he/she may contact the Administrative Assistant to Discipleship Ministries, 984-200-2616.

THE REHEARSAL

The rehearsal usually takes place the day before the wedding ceremony and will last approximately one hour. All members of the bridal party, including children, are expected to participate in the rehearsal.

The bridal couple is asked to see that everyone is dressed appropriately and arrives on time. Having the wedding party arrive on time is an important consideration for others. Often there are other rehearsals that same evening.

Entrance:

- Entrance to the church for the rehearsal is through the main sanctuary doors on West Edenton Street. The sanctuary doors will open thirty minutes before the scheduled rehearsal time. A wedding director and an assistant will be present to direct the rehearsal.

Brides should bring the following items to the rehearsal:

- Guest register and pens
- Wedding programs
- Unity candles (if used)
- Seating chart for special guests/family
- Do not bring wedding or bridesmaid dresses, as our church cannot be responsible.

What we'll do:

During the rehearsal, the wedding director will instruct the participants of their respective positions and movements during the wedding. The officiating minister(s) or his/her representative will lead the bride and groom through their vows and their movements during the actual ceremony.

Your choice - the wedding party may enter the sanctuary in one of the following ways:

- The minister(s), the groom, and best man may enter from the side and wait at the chancel rail for

the other attendants and the bride to process down the center aisle.

- The entire wedding party may process down the center aisle.
- If you wish to use the processional cross, the director can secure a trained acolyte from the church with advance notice. If you choose to use a family member, he/she must be at least 14 years of age. An honorarium is suggested. (See fee schedule.)

Following the rehearsal, the wedding director will instruct the ushers concerning their duties in seating guests and family members. The director will also familiarize the wedding party with the location of the dressing areas, church parlor, church library, and restrooms.

Wedding Party Behavior:

- Members of the wedding party must not arrive at the wedding rehearsal under the influence of alcohol/illegal drugs. The possession or use of alcohol/ illegal drugs is not permitted on church property.
- The church is a non-smoking environment, including e-cigarettes.
- If this policy is abused, the wedding director has the authority to delay the rehearsal.

THE WEDDING DAY

The wedding director will determine with the bride the arrival time for all the wedding party. The Wedding Party should enter through the rear of the church (Curtis Entrance).

Arrival and Space for Bride:

- It is recommended that the bride and bridesmaids arrive 2 hours before the wedding time. This is sufficient time to dress and have pictures made.
- The bride and bridesmaids may dress in the Church Parlor. The Church Parlor is not equipped to handle extensive hair and make-up preparations.
- If additional space is needed for family, please let the Administrative Assistant to Discipleship Ministries know two weeks in advance.
- A wedding director and an assistant will arrive 2 hours before the wedding and will help make the day go smoothly for the bride and the bridal party. The wedding director and assistant will be present until after the pictures have been taken following the ceremony.
- Please have party and family stay in assigned areas for bride's sake.

Arrival and Space for Groom:

- The groom and groomsmen need to arrive one and one-half hours before the wedding time. It is suggested that the groom and groomsmen dress before arriving at the church.
- Men will wait in the Church Library. If necessary, dressing may occur in an adjacent bathroom.

Snacks:

- You may want to provide some simple snacks and drinks for your wedding party. Suggested snacks are cheese, crackers, and fruit.

the church 1.5 hours before the ceremony.

- Inform all family members/friends who are to be in pictures after the wedding to meet at the front of the sanctuary immediately after the ceremony. There will be no time to find someone. You must be finished with all pictures 30 minutes after the ceremony.

Wedding Start:

- The wedding will start on time. There will be no delays for the seating of guests who arrive late.

Wedding End:

- Receiving lines are not recommended in the narthex of the church sanctuary immediately following the wedding ceremony.
- The bridal party must remove all personal items as soon as possible following the ceremony.

Wedding Party Behavior:

- Members of the wedding party must not arrive at the wedding under the influence of alcohol/illegal drugs. The possession or use of alcohol/illegal drugs is not permitted on church property.
- The church is a non-smoking environment, including e-cigarettes.
- If this policy is abused, the wedding director has the authority to delay the ceremony.

Children/Nursery:

- Due to liability, only church-provided sitters will be allowed. Childcare for weddings must be arranged through the church office at least six weeks in advance. There is a charge of \$20 hour per childcare provider (minimum of 2 hours). The number of childcare providers is determined by the number and age of the children.

THE RECEPTION

Kerr Fellowship Hall is available for larger wedding receptions. For small receptions other rooms are available. Receptions should be scheduled through the church office at the same time the wedding is scheduled.

The church food service director will advise you on catering and available equipment (tablecloths, plates, cups, and silver) that the church has available for your use. You should advise the Food Services Manager (984-200-2610) of the room set-up at least 4 weeks in advance. You may choose to have a reception catered by the Director of Food Services who will handle plans and financial arrangements.

Outside caterers may be used but must be approved by the Food Services Manager and the caterer must prepare food and clean all dishes and utensils offsite. The kitchen will not be available for use. Wedding receptions extending after 5:00 pm will require additional maintenance and fees. The Kerr Fellowship Hall may be reserved the day before the wedding for decorating. Please schedule this at the time of your reservation. Rooms must be reserved for a reception at the same time the wedding is placed on the church calendar.

Do not use rice/confetti/flower petals/sparklers inside the church building. Please only use birdseed

or bubbles outside the building. Sparklers can be used outside and are to be extinguished in sand buckets as soon as they are out. Sand buckets are furnished by the bride.

Use of church audio or video equipment installed in Kerr Hall must be approved by the Calendar and Events Coordinator. If you need help with plans for dancing, music, etc., contact the Calendar and Events Coordinator. There will be an additional charge if there are A/V requirements in Kerr Hall.

The wedding director is not responsible for managing the reception unless agreed upon by both parties at an earlier time.
